NAVAJYOTHI COLLEGE OF TEACHER EDUCATION FOR WOMEN

This college of teacher education for women, unaided in nature is managed by the Sisters who belong to the Congregation of the Holy Family (CHF), founded by the Blessed Mother Mariam Thressia. CHF sisters manage various educational institutions and social centres all over the country and abroad. This college has started its functioning in the month of August 2002 on the basis of the sanctioning order received from the Calicut University and NCTE. Our educational endeavors are always aimed at helping the prospective teachers to make themselves intellectually competent, spiritually mature, morally upright,

psychologically integrated, physically capable and socially acceptable so as to enable them to champion for the cause of Love, Peace and Truth.

GLOBETHICS SOUTH ASIA CENTRE

Globethics is an international non-governmental organization working for ethical leadership through higher education and global engagement. Registered in Geneva, Switzerland, as an independent, not-for-profit foundation with an international Board, and affiliated centres across the globe, Globethics seeks to be inclusive of diverse cultural, religious, philosophical, and humanist ethical wisdoms, and to be the bridge between the different world views on ethical issues.

Objectives of Globethics are:

- Empowers and equips students and professionals through higher education, including executive education programs in ethics,
- Develops and disseminates knowledge about applied ethics through networking, collaborative research, publications and open access resources,
- Supports ethical standard setting and implementation for institutional development,
- Engages with policy makers on the international, national, regional and local governmental level, and at the higher education institution level, in multi-stakeholder academic and policy dialogues on global issues for transformative ethical leadership.

FOCAL THEME

The declining of ethical values in education system will give rise to unskilled professionals, undisciplined students. The present scenario needs a change and this change can be brought out by

educating the children and inculcating ethics and values in the academic curriculum. Professional ethics deal with what are desirable acts and what are undesirable acts about the professions. Ethics training have spread across organizations throughout the globe. The present seminar is an attempt to nurture the foundations to strengthen the values and ethics embedded in Indian education system and to cultivate sustainable practices and strategies for developing a good ethical code and value system in the Higher education sector of India.

Objectives of the Seminar

- To reinstate the rich cultural legacy and human values of India
- To lay down broader guidelines of values and ethics for internal and external stakeholders
- To suggest operational guidelines for value-based and ethical practices in the higher educational institutions leading to implementation and monitoring
- To indicate the outcomes of creating a value-based and ethical culture in Higher Education Institutions
- To suggest indicative reinforcement programmes, practices and strategies for nurturing human values and ethics in Higher Education Institutions

SUB THEMES
