ABOUT VISHWAKARMA UNIVERSITY (VU)

Vishwakarma University, Pune, established in 2017 as a State Private University, is an extension of the Vishwakarma Group of Institutions' 35+ years of excellence. UGC-approved and a member of AIU, VU designs its curriculum, conducts exams, and awards degrees independently. VU has gained global recognition, ranking in the Times Higher Education Global Impact Rankings 2024 and the Leadership and Management Team of the Year award in 2023. Additionally, it secured notable positions in the WURI (World University Rankings for Innovation) 2024, achieving 11th place in Social Responsibility, 45th in Entrepreneurial Spirit, and 147th in the overall global rankings. Awarded the "Emerging University" title by ASSOCHAM, VU aligns with the UN's SDGs, emphasizing academic excellence, holistic development, and practical learning through its unique model of knowing, practicing, performing, and reflecting, preparing students for fulfilling careers.

ABOUT CENTRE FOR TEACHING AND LEARNING (CTL)

The Center for Teaching and Learning at Vishwakarma University, established in 2022, supports the university in achieving excellence in teaching, learning, research, and innovation. CTL bridges the gap between industry demands, student needs, and contemporary teaching methods. Its mission is to enrich and modernize the university's teaching community by developing innovative pedagogies and building essential skill sets.

ABOUT GLOBETHICS

Globethics is an international non-governmental organization with consultative status at UN ECOSOC, dedicated to promoting ethical leadership through higher education and global collaboration. Headquartered in Geneva, Switzerland, it promotes ethical values through initiatives such as its vast open-access library, academic research, and ethics-focused educational programs. Globethics supports institutions with tools like the Ethics Model of Excellence for benchmarking and performance assessment, fostering sustainable and values-based leadership. Operating across regions, it collaborates with partners in 138 countries, emphasizing cross-cultural understanding and engagement with ethical challenges.

ABOUT INTERNATIONAL CONFERENCE

The Two-Day International Conference on "Elevating Academic Standards and Practices in Higher Education" seeks to bring together global educators, researchers, academicians, and policy makers to discuss advancements and share insights into raising academic standards in higher education. The conference will

address emerging trends, best practices, and innovative strategies that institutions worldwide can adapt to foster academic excellence and holistic development. Through keynote sessions, expert panels, and research presentations, participants will explore topics such as quality assurance, curriculum innovation, and effective pedagogical approaches. This event provides a collaborative platform to shape the future of higher education in alignment with global standards, aiming to inspire meaningful and sustainable educational reform.

Guidelines for Paper Submission

- Only original, unpublished work on the conference theme is sought. Any manuscript containing identical or substantially similar work already published or under review for another conference or publication shall not be submitted.
- **Page Limit:** Total page limit for each paper is 6 to 8 pages.
- **First Page:** Title, Author (s) Name(s) and Affiliation (s) with contact number and email id.
- The maximum number of authors is three
- All submitted work should mandatorily have a similarity index below 15%.

CONFERENCE THEME

“EDUCATION IS NOT PREPARATION FOR LIFE; EDUCATION IS LIFE ITSELF.”

- JOHN DEWEY

“ELEVATING ACADEMIC STANDARDS AND PRACTICES IN HIGHER EDUCATION”

The conference theme centers on advancing educational quality, innovation, and integrity to meet the evolving demands of a globalized world. With a focus on redefining academic practices, curriculum design, and quality benchmarks, this conference seeks to inspire institutions to align with international standards and foster environments conducive to lifelong learning and societal impact. The objective is to explore transformative strategies that enhance teaching, research, and institutional accountability, preparing graduates to thrive in diverse, dynamic landscapes. The conference embodies this vision, inviting participants to engage in collaborative learning and discovery for the continual betterment of higher education.
