### Book Chapter

Frischherz, Bruno, and Gordon Millar. 2024. *Digital Ethics : A Teaching Handbook*. Globethics Publications. Accessed February 2, 2026.  
<http://hdl.handle.net/20.500.12424/4306851>.

*Abstract: In this book read chapter 4 (pages 73 – 100) titled **Ethical Decision Making**. The chapter underscores how ethical decision-making and accountability require professionals to balance human judgment with the growing role of AI by ensuring transparency, stakeholder awareness, sound ethical analysis, and responsible implementation, all supported by a structured template that guides users from understanding a dilemma through analysis, decision, action, and reflection.*

### Report

Green, Erin, and Fadi Daou, eds. 2025. *Global Ethics Forum 2024: Ethical Leadership for a Re-Envisioned Future : Policy Report*. Globethics Publications. Accessed February 2, 2026.  
<http://hdl.handle.net/20.500.12424/4321230>.

*Abstract: Chapter 3, **Ethical Leadership in a Changing World** (pages 17–20) in the 2024 Global Ethics Forum report, explains that strengthening ethical leadership requires replacing cynicism with hope by nurturing ethical character early, building institutional cultures of integrity, and equipping leaders with systemic, critical, creative, and courageous thinking. It further emphasizes the need for structured youth programs, sector-wide transparency and accountability frameworks, and intergenerational mentorship to reinforce ethical decision-making and prioritize the common good.*

Book

Haaz, Ignace. 2020. [Introduction : virtue based moral and ethical leadership as a collaborative analysis](#). In: Obiora F. Ike, *Moral and Ethical Leadership, Human Rights and Conflict Resolution – African and Global Contexts*, Geneva: Globethics.net. Accessed February 2, 2026. <http://hdl.handle.net/20.500.12424/3863582>.

*Abstract: This article argues that ethical leadership is rooted in a virtue-based, truth-oriented, and analytically rigorous method that emphasizes collaborative reasoning and clear, disciplined thinking as essential for applying ethics in real-world contexts. It further highlights how Obiora Ike's work integrates core virtues—such as hope, justice, courage, and love—across social, educational, and professional domains to promote leadership grounded in moral clarity, practical wisdom, and the common good.*

Ike, Obiora, Amélé Adamavi-Aho Ekué, Anja Andriamasy, and Lucy Howe López. 2020. [Who Cares about Ethics? : Selected Essays by Globethics.Net](#). Globethics.net. Accessed February 2, 2026. <http://hdl.handle.net/20.500.12424/4009187>.

*Abstract: Ethical decision-making in this book is portrayed as a globally relevant practice shaped by diverse real-world contexts, showing how individuals apply ethical reasoning to challenges in digital life, environmental responsibility, health, and human well-being.*

Book

Murhula Manegabe, Aimé Jules. 2017. *Éthique, Gouvernance et Performance Des Entités Décentralisées Urbaines Au Sud-Kivu RD Congo*. Globethics.net. Accessed February 3, 2026. <http://hdl.handle.net/20.500.12424/166653>.

*Résumé : Ce livre montre que le renforcement de l'éthique, de la gouvernance et de la performance des entités décentralisées à Bukavu est essentiel pour un leadership éthique dans un contexte post-conflit, en soulignant que la décentralisation, en rapprochant les autorités des citoyens, peut favoriser l'intégrité, rétablir la confiance du public et soutenir des dirigeants engagés envers les valeurs démocratiques, la redevabilité et une prise de décision responsable.*

Book

Ogara, William Otiende and Globethics, eds. 2025. *Leadership et Investissement Éthique Vers Un Avenir Durable : Un Manuel de Référence*. Globethics Publications. Accessed February 3, 2026. <http://hdl.handle.net/20.500.12424/4321210>.

*Résumé : Ce manuel de référence a été préparé à la suite du parcours du Programme africain sur les biens d'Église (ACAP), lancé par l'Assemblée générale de la Conférence des Églises de toute l'Afrique (AACC) à Kampala, en Ouganda, en 2013. Il présente des études de cas, des étapes pratiques et des outils d'auto-évaluation destinés à guider les dirigeants des Églises et des organisations apparentées dans la promotion d'un leadership éthique, transparent, responsable et fondé sur l'intégrité, favorisant un changement transformationnel et renforçant la confiance au sein de leurs communautés.*

<http://hdl.handle.net/20.500.12424/4318992>.

*Abstract: This Reference Manual has been prepared as a result of the African Church Assets Programme (ACAP) journey, initiated by the All Africa Conference of Churches (AACC) General Assembly in Kampala, Uganda in 2013, and provides case studies, actionable steps, and self-assessment tools to guide leaders of churches and church-related organizations in promoting ethical, transparent, accountable, and integrity-driven leadership that fosters transformative change and strengthens trust within their communities.*

Book

Stückelberger, Christoph. 2014. *[Responsible Leadership Handbook: For Staff and Boards](#)*. Globethics.net. Accessed February 2, 2026.  
<http://hdl.handle.net/20.500.12424/215286>.

*Abstract: Ethical leadership is essential to the performance, credibility, reputation, and long-term sustainability of both leaders and the organisations they serve. In this handbook, ethical—or responsible—leadership is understood as the values-driven and conscientious use of power to define, pursue, and uphold ethical goals that advance the well-being of all people and the whole of creation. Grounded in Christian moral principles yet adaptable for leaders from other faith traditions or secular settings, the handbook provides ethical and spiritual reflections, practical checklists, a leadership ethics code, and five training modules designed to equip staff and board members with the mindset and tools needed to lead with integrity, accountability, and purpose.*
